

## NOTES FROM OS WALKABOUT TUESDAY 29/12/2020.

1. Present: Julie Bridgeman, Thomas Marshall, Tony Burton, Christine Downey.
2. Cemetery: Items for next OS meeting agenda – suggestions for consideration: -
  - a. Broken sign – stick it back on (But already resolved to leave it alone).
  - b. Clear the wood/trees next to old shed.
  - c. Plant bulbs next to old shed when wood/ trees cleared away.
  - d. Trees in the old shed corner growing into the hedge – cut back or remove.
  - e. Drainage in new cemetery field – list as special project for consideration in a future year, not for 2021/2022.
  - f. Extending the road into the new cemetery field – list as special project for consideration in a future year, not for 2021/2022.
3. School Hill: items for next OS meeting agenda – suggestions for consideration: -
  - a. Chase up the planters – for spring.
  - b. Arrangements for ongoing maintenance of planters.

4. PHPF: items already resolved: -

39.1 Update from Cllr Bridgeman on removal of the shed.

**Received: Only base left now. Hearse covered and left for Cllr Marshall to arrange disposal with Lords Antiques.**

39.2 To discuss and agree a way forward regarding the sign on the right as you enter the field before the cemetery.

**RESOLVED: No further action.**

40.7.1	Crown lifting – trees in centre of PHPF. (OS64 refers 09/12/2019) <b>RESOLVED: Clerk to ask Thomas Brown if quote of 24/05/2019 is still valid. If it is, clerk to instruct Thomas Brown to proceed with crown lifting and removal of ivy. If it is not, clerk to obtain new quote. Waste to be chipped and left on site.</b>
--------	--

40.9.1 Annual inspection of the seats on the zip wire and Titan.

**RESOLVED: Cllr Marshall to investigate maintenance and repair options available from Luscombe Plant Hire and Horton Landscaping.** (Decision therefore at next meeting).

40.9.2 Re-tensioning of zip wire.

**RESOLVED: Cllr Marshall to investigate maintenance and repair options available from Luscombe Plant Hire and Horton Landscaping.** (Decision therefore at next meeting).

40.9.3 On-going repairs and/or maintenance tasks on play equipment.

**RESOLVED: Cllr Marshall to investigate maintenance and repair options available from Luscombe Plant Hire and Horton Landscaping.** (Decision therefore at next meeting).

5. PHPF: Items for next OS meeting agenda – suggestions for consideration: -
  - a. To consider writing to the developer of the houses pointing out that a gap of six inches clearance must be maintained between the beech hedges and the fence.
  - b. Fence: New tension wire needed left side of pedestrian gate, facing into PHPF.
  - c. Fingerpost pointing to PHPF from Ellergill/Burton Road side only. As discussed under minor items on 14/12/2020. Add to next agenda. Cllr Faraday will investigate ownership of the land and obtaining permission from NYCC to install on grass verge or cobbles. Andy Walls might be able to provide Cllr Marshall with estimate of cost.
  - d. Trip hazards: Titan / basket swing / bench by MUGA. Recommend all fixed. Suggest soil and turf from the cemetery corner can be used.
  - e. Gate problems per PHPF inspection reports: Rod projects and could cause eye injury / gap around the gate less than 12mm all around. Not agreed as valid problems. Suggest council write to inspector and ask him to reconsider or explain further.

6. PHPF: For consideration at a future date: Crown lift the trees first, in accordance with the permission obtained from CDC. After that has been completed review the position again on another site visit, to establish if any trees need removing or not. If the decision is that any trees do need removing an application to do so will need to be submitted to CDC.
